

## TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

**Wis. 7:7-11 Heb. 4:12-13 Mk. 10:17-30**  
**Psalm refrain:** Fill us with your love, O Lord, that we may rejoice and be glad.

### INTRODUCTION TO THE MASS

God's call to faithful discipleship promises unimaginable blessings and requires radical trust in God's providence. Like the rich young man, we have futures to get ready. We cannot do it alone – for it is only with God that all things are possible.

### LITURGY OF THE WORD

In the first reading, King Solomon entreats and encounters Wisdom and is granted blessings that pale only in comparison to Wisdom herself. In the second reading, the author writes, *the word of God is living and effective, sharper than any two-edged sword.*

In the Gospel, Jesus has an exchange with a young man of many possessions, who asks what he must do *to inherit eternal life.*

### HAPPY THANKSGIVING TO YOU ALL!

As we gather together this weekend, in many different ways, let us all give thanks to God for the many bounties of God's grace, for the harvest of the earth and the blessings in our lives. When we strive to live generously for each other, living in the light of the Gospel becomes a way of life, not just on Thanksgiving, but all year. Our families, both domestic and Church, are where love is learned and grows. May your gathering with the special people in your life be a time of blessing and grace.

Happy Thanksgiving!

**Fr. Mirek and Dc. Tom**

### HOSPITAL EMERGENCIES

If you or a loved one is in hospital and would like to have a priest visit, please inform the nurses as they have a list of chaplains available for these circumstances.

## PEOPLE AND PLANET FIRST

In Honduras and Cambodia, organizations supported by Development and Peace are raising the voices of communities oppressed by a model of economic development that violates their rights. The Honduran Center for the Promotion of Community Development (CEHPRODEC) trains environmental leaders to defend natural resources, the environment and human rights. In Cambodia, Development and Partnership in Action (DPA)'s mission is, in part, to enable communities affected by extractive industries to gain advocacy skills so they can organize and defend their rights.

We can support these partners by recognizing the role we can play in an unjust global system and taking action to change it. This year, the action highlighted by the **People and Planet First** campaign is about holding Canadian companies accountable for their operations abroad - to ensure that Canada is not complicit in the violation of the rights of our brothers and sisters.
